## Helpful Ordering Tip: When placing your order, please describe your allergy.

The allergen information provided is based on Papa Murphy's standard product formulations and is for U.S. locations only. Product formulations, recipe changes, ingredient substitutions, and/or suppliers may periodically change. Papa Murphy's International, its franchisees and employees do not assume any responsibility for a particular sensitivity or allergy to any food provided from our stores. Contact us via our website to ask a question and for more information on limited time offerings or test market items, which are not included on this form.

\* Studies show that most soy-allergic individuals may safely eat most types of soybean oil (Source: [www.foodallergy.org](http://www.foodallergy.org) - Food Allergy & Anaphylaxis Network). Therefore, soybean oil is not indicated as an allergen on this form. If you have a soy allergy, please consult with your doctor before eating products that contain soybean oil. For more information, please visit our Detailed Ingredient Information page.

According to the Food Allergy & Anaphylaxis Network ([www.foodallergy.org](http://www.foodallergy.org)), these eight foods account for 90 percent of all food-allergic reactions in the U.S.: milk, eggs, peanuts, tree nuts (e.g., walnuts, almonds, cashews), wheat, soy, fish, and shellfish.
